David Bowie: A Star Fell to Earth Wim Hendrikse

This book takes you deep into David Bowie's world. An honest and fascinating portrait of a very complex personality. In the seventies Bowie was the King of Glitter Rock, the trendsetter. He is a songwriter, singer, actor, performer and artist. He is regarded as one of the most influential pop musicians ever. Bowie is best known for his bizarre and decadent unisexual and bisexual behaviour. His life and career tell a story of drugs, sex, very high peaks and deep lows and the exploitation of his androgynous looks. The result of almost forty years of research. The most complete and best balanced book about David Bowie that has ever been written. Praise for David Bowie - No shit, just facts. "The most voluminous encyclopaedia about the inventor of glam rock." Medium Music . "For Bowie fans this is an essential encyclopaedia." Record magazine. "Are they worth the money? YES. My advice: Buy them!" Savagejaw.co.uk. "The most complete, chronological overview to date." Newspaper BN/De Stem. "Every serious David Bowie collector should have these books at hand at all times. I am speechless." Bassman.
