Game Anders de la Motte

“A taut thriller that will leave the reader excited for the next book in the series” (*Kirkus Reviews*)—the first novel in a groundbreaking international thriller trilogy about a deadly game that blurs the line between reality and fiction.

One Sunday morning after a long night of partying, Henrik “HP” Pettersson, a slacker with a lot of ego and very little impulse control, finds a cell phone of an unfamiliar make on a commuter train. Through insisting and slightly unnerving messages that refer to him by name, the phone invites him to play a game. HP accepts without hesitation.

The rules are that HP must complete tasks that range from childish pranks to criminal acts, as allocated by the mysterious Game Master. The Game starts out innocently enough and then becomes increasingly risky, threatening the safety of someone close to HP. He is determined to become a superstar, but when the dark and tragic secrets of his family’s past are at stake, HP must make a choice. Will he suffer the humiliation of defeat, or will the need to win push him to the limit—no matter the cost?

The first novel in a fast-paced and riveting trilogy, *Game* will leave you guessing. Follow the rules, and *everybody* gets hurt...

Robert Hawkins:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Game can make you really feel more interested to read.
