Her husband, multiplatinum rapper Blake "Bulletface" King, decides to try his best to make their marriage work by pausing his rap career to give his beautiful wife the love she deserves. Day after day, week after week, they spend quality time together and focus on taking care of their children. But there are some loose ends that need tying. Alexis has an enemy in Mexico who she must personally tend to, and Blake has several more in Chicago who will stop at nothing to see him dead. When they board their Gulfstream jets to go and finally put an end to the drama once and for all, their feelings for each other are as strong as ever, but the troubles they encounter during the pursuit of their enemies may change their hearts forever.
