Cheating, Dishonesty, and Manipulation: Why Bright Kids Do It Kate Maupin

Why do bright kids cheat, lie, and manipulate? What can you do about it?

More than 80% of bright students self-reported that they had cheated in an academic setting and had never been caught. Bright children try to manipulate parents and teachers for many reasons-boredom, a lack of appropriate challenges, a need to fit in, fear of failure, or simply avoiding responsibility.

Kate Maupin addresses **symptoms, underlying causes, and how to address roots of the problem**, rather than simple punishment, so that children do not become repeat offenders. She also discusses ways to **build honesty and confidence** so that children can become self-sufficient, life-long learners who no longer feel a need to resort to cheating, dishonesty, or manipulation.
