Deeper into the Word: Reflections on 100 Words From the New Testament Keri Wyatt Kent

Translators have done their best to render the words of the Bible into English, but capturing the nuances of the ancient languages is an inexact science. Kent gives readers an opportunity to investigate the roots and biblical context of the words within the Word. Deeper into the Word is a fascinating devotional, but it can also be used as an accessible reference tool, as it explores 100 of the most important words of the New Testament. Kent unpacks each word's Greek origins, shows how it is used in the Bible, and offers insights into its significance in our lives.
