Everybody Cheats is honest, funny, and pinpoints the real issues we have when it comes to romantic relationships. It's a non-fiction work that has more points supported by South Park quotes as opposed to loads of statistics.

Everybody Cheats explores the excuses we give for cheating, the real reasons why we cheat, the effect cheating has on society and the benefits of enjoying our single years. It then concludes with the assertion that our perfect person does exist, but if we hope to find our soulmate, we must live our lives instead of constantly seeking love. We say we cheat because we're bored or unfulfilled. However, if we took the time to be single and live our lives, we will be brought to our soulmate. In turn, we can have that fairy tale ending that we all desire, but no longer believe exists.
