## **I, Tania** Brian Joseph Davis

America lies in ruins during an age of decline, despair, and death. The year is 1975 and a radical far-left group has kidnapped a young woman from one of America's richest families. She will later join their cause and will eventually be arrested and convicted of armed robbery. She will claim it was a "different personality" that robbed the bank. The jury didn't buy it, but author Brian Joseph Davis did. The important difference is: Davis thought her "different personality" was more interesting and deserved her own fake memoir. Welcome to *I, Tania*, a book that uses the memoir format just enough to spin off into a crazed, bawdy, and seditious charge through pop culture, politics, and the meaning of fiction itself. *I, Tania* begins by recounting the highly fictionalized true story of the rise and fall of the Symbianese Liberation Army, as it never happened. Brainwashing will never be as much fun as when Tania takes you on an armed-to-the-teeth trip through one of the strangest episodes in history while writing her memoirs in the year 2005. Tania may have survived bank heists and open relationships, but will she be able to survive the savage world of contemporary book publishing and promotion? More than just a run-of-the-mill fake memoir, *I, Tania* will blast you into a million little pieces with: • The hidden Marxist meanings behind *Cujo* • Why John McEnroe is scarier than Ian Curtis • How Don DeLillo can kill . . . with his mind Do violent debutantes have a place in political struggle? After Tania and Katie Couric's climactic talk show, you'll know the shocking, surprisingly funny answer.

### From reader reviews:

#### **Jesica Demarco:**

The book I, Tania make you feel enjoy for your spare time. You should use to make your capable far more increase. Book can to get your best friend when you getting tension or having big problem with the subject. If you can make reading through a book I, Tania to be your habit, you can get a lot more advantages, like add your current capable, increase your knowledge about many or all subjects. It is possible to know everything if you like start and read a guide I, Tania. Kinds of book are a lot of. It means that, science guide or encyclopedia or others. So , how do you think about this book?

#### **Rodney Wilson:**

What do you about book? It is not important along with you? Or just adding material when you need something to explain what your own problem? How about your spare time? Or are you busy man? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everyone has many questions above. They must answer that question due to the fact just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this I, Tania to read.

#### **Roger Richmond:**

As people who live in often the modest era should be revise about what going on or information even knowledge to make these individuals keep up with the era which is always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice for yourself but the problems coming to a person is you don't know which one you should start with. This I, Tania is our recommendation so you keep up with the world. Why, as this book serves what you want and wish in this era.

#### **Mark Adair:**

Nowadays reading books become more than want or need but also work as a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that improve your knowledge and information. The data you get based on what kind of reserve you read, if you want send more knowledge just go with education and learning books but if you want feel happy read one together with theme for entertaining for instance comic or novel. Typically the I, Tania is kind of reserve which is giving the reader unpredictable experience.
