## **Mistress** Amanda Quick

After a year of grand adventures touring the classical ruins of Italy and Greece, Iphigina Bright returned to England to discover that the real excitement was at home. It seems that her Aunt Zoe has fallen victim to a sinister blackmailer and only Iphigina can hope to stop the culprit before he can do more harm. Her plan is inspired: Imitating history's most legendary beauties--Cleopatra, Helen of Troy, Aphrodite--the former schoolmistress will remake herself, and descend upon London Society as the dazzling mistress of Marcus Valerius Cloud, the infamous Earl of Masters. Rumors hint that the Earl has disappeared at the blackmailer's hands, and by posing as his unknown mistress, Iphigina is convinced she can ferret out the villain. Overnight, Iphigina is transformed into a vision with a host of eager admirers, including one she does not expect -- the Earl of Masters himself, who strides into a shimmering ballroom one evening to coolly reclaim his "mistress". He is everything they say he is... arrogant, attractive, devastatingly seductive, and Iphigina can't help but be enthralled. But when Marcus agrees to play along with her charade, she doesn't know that the determined earl has plans of his own: to tease and tempt her, until the beautiful deceiver becomes more than his mistress in name only.
