Barbican, London 1875

Rose and her little sister Cora are known in London's East End as The Sunshine Sisters. They're hiding a secret – one that could see them turned out on the streets without a penny to their name.

When their brother is sent to prison for a crime that he didn't commit, it signals the start of the family's woes. Cora finds herself caught up in an illicit relationship with a cad and is thrown out by their strict father.

As the family is hit by hard times, it's down to Rose to fight for them and prevent further tragedy. She'll do anything to keep her family safe, even if that means putting herself in terrible danger...
