"The Littlest Elf" Plush Set: Paperback with 7" Doll Brandi Dougherty

This heartfelt story about friendship and the true spirit of Christmas captures the challenges and triumphs of being little. Oliver is the littlest elf at the North Pole, and this year he's getting ready to pick his special job in Santa's workshops. But each new task he tries-from building toys to baking cookies to making books-ends in disaster. What he is able to do is make friends with the littlest reindeer in the stable. Like Oliver, Dot is eager to help pull Santa's sleigh, but she's not quite ready. Together, they find a very special way to spread Christmas cheer. With its adorable illustrations, encouraging message, and heartwarming surprise ending, this book is just right for the holidays. Includes The Littlest Elf and an elf plush.
