Peter Doggett

You Never Give Me Your Money: The Battle for the Soul of the "Beatles" Peter Doggett

Doggett says the four Beatles' individual efforts will never match the magic they created as a foursome. Yet the story of the post-breakup Beatles is intriguing and fascinating in its own right. Doggett begins at the end, with the 1980 murder of John Lennon outside the Dakota apartment building in New York, then turns back to the late-1960s, when Sgt. Pepper was released and the glow of the group's innocent days had long dimmed. In that tumultuous time, the foundation of the band's eventual demise several years later was laid. Doggett captures the competitive sparks that flew among the four men, especially between Lennon and Paul McCartney, and also the mutual affection that formed the basis of their complicated relationships. He covers all the many lawsuits and legal maneuverings that consumed so much of their time as well as the feelings of anger and betrayal and the weariness of it all. And he discusses each member's solo albums. A must for Beatles fans and good for more casual pop-music enthusiasts, too. --June Sawyers
