England 1536. Bridget Manning is forced to leave the safety and tranquillity of her home at Rivers Abbey in order to join the household of the queen, Anne Boleyn. Once there she enters a world seething with intrigue and plots against her new mistress. Will Bridget be able to navigate her way through the dangerous maze of the court or will it destroy her as it is destroying her queen?

The sequel to this book, "Court of Traitors", is now available. The third book in the series, "Masque of Deception", will now be published in February 2015 as I decided to make some changes (SO sorry for the delay, I promise it is coming!)

NOTE TO READERS: There were some formatting problems with this book that have now been remedied. I apologise for any inconvenience that was caused.
