**Crónica de una muerte anunciada (Spanish Edition)** Gabriel García Márquez

Un hombre regresa al pueblo donde ocurrió un asesinato desconcertante 27 años atrás, con la determinación de descubrir la verdad. Todos parecen estar de acuerdo en que Bayardo San Román, sólo unas horas después de su matrimonio con la bella Angela Vicario, la devuelve por deshonrada a la casa paterna. La atribulada familia fuerza a la novia a revelar el nombre de su primer amante; y los hermanos gemelos de ella anuncian su intención de matar a Santiago Nasar por haber deshonrado a su hermana.

Sin embargo, si todos sabían que se iba a cometer un asesinato, ¿por qué nadie trató de impedirlo? Cuanto más se sabe de este asunto, menos se comprende, y cuando la historia al fin se precipita a su inesperada conclusión, una sociedad entera —no sólo un par de asesinos— está siendo enjuiciada.
