## Setting up the money shot...

Quiet, sensible Ellie Smithson is a highly respectable photographer by day – but there are only so many wedding photo-shoots you can take without your mind wandering to what happens when the blissfully happy bride is swept off her feet and straight to the honeymoon suite's sumptuous four-poster bed...

So after dark, Ellie takes pictures of a more...intimate nature – a dirty little secret she's kept from her accountant Tom. Until now. It seems Tom is the subject of her next racy shoot!

It isn't just the blurring of work and personal boundaries that's the problem; secretly Ellie has always had fantasies of a most unprofessional nature about the almost illegally gorgeous Tom. With such temptation on display, how will she ever stay *behind* the camera?!

The first book in the *Indecent...* trilogy:

**Indecent...Exposure**

**Indecent...Proposal**

**Indecent...Desires**
