Just because he says you're beautiful...: Five Things Every Head-Smart/Heart-Dumb Girl Should Know Stephanie Rochelle Redd

"Just because he says you're beautiful..." is written as a candid and humorous conversation between Stephanie Rochelle Redd's 30-year-old self and the head-smart/heart-dumb girl of her youth. This non-fiction book highlights several dating and relationship mistakes Stephanie has made, as well as five key lessons she's learned from those mistakes: 1) Just because he says you're beautiful doesn't mean he's, "The One," 2) "Dating" and "Being in a relationship" are two different things, 3) Even good guys can be players, 4) You don't have to sacrifice logic in the name of love, and 5) Being single is not the end of the world—really, it isn't. The book also doubles as a self-help workbook, with questions placed at the end of each chapter to help the reader apply the lessons Stephanie has learned to their life. Live! Love! Learn!
