Rasputin's Shadow (Templar series Book 4) Raymond Khoury

Raymond Khoury, the international bestselling author of *The Last Templar*, is back with another ingenious, fast-paced thriller that straddles present-day NYC and Russia in the early 1900s—the time of the infamous Rasputin and his mysterious rise to power.

FBI special agent Sean Reilly is tasked with a delicate case. A Russian diplomat seems to have committed suicide by jumping out of a sixth-floor window in Queens, New York. The apartment's owners are missing, while a faceless killer known only as Koschey—"the Deathless"—is roaming the city and leaving a trail of death in his wake.

Joined by Russian FSB agent Larisa Tchoumitcheva, Reilly's investigation soon uncovers a deadly, desperate search for a mysterious device whose origins reach back in time to the darkest days of the Cold War and to Imperial Russia. A device that, in the wrong hands, could have a devastating impact on our world.

Packed with the twists and suspense, the impeccable historical research, and the present and past story lines that Khoury's fans have come to expect, *Rasputin's Shadow* will keep readers turning pages long into the night.

From the Paperback edition.
