## **Snake Lake** Jeff Greenwald

In a circular valley beneath the looming peaks of the Himalaya lies Kathmandu, Nepal. It's a city of shimmering prayer flags, sacred cows, lavish festivals, and violent political turbulence—and a world that journalist Jeff Greenwald has come to call home.

*Snake Lake* unfolds during 1990's dramatic "people power" uprising against Nepal's long-entrenched monarchy. The story follows Greenwald as he wins the friendship of a high lama who reveals the pillars of Tibetan Buddhism; embarks on a passionate romance with a spunky but curiously unlucky news photographer; and discovers what democracy means to rural Nepali citizens—all while covering the revolution for a major American newspaper. Meanwhile, back in the U.S., Greenwald's brilliant but troubled younger brother descends into a deepening depression. The author is forced to choose between witnessing Nepal's long-overdue revolution and reconnecting with an alienated brother in desperate need of help.

*Snake Lake* is primarily a memoir (though the roles of several characters have been recast). Focused on the life-changing events that unfolded during one calamitous spring, the book weaves a vivid tapestry of Buddhism, revolution, and the often serpentine paths to personal liberation.

#### **Cynthia Cisneros:**

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Snake Lake can make you sense more interested to read.
