Paperback edition. This book is one-half of my previous book "The Funniest People in Books and Music: 500 Anecdotes." It contains 250 anecdotes about music, including this one: British actor Stanley Holloway once mentioned to Jascha Heifetz that he was looking for a school for his son, and he named one school that accepted pupils very early in their life-at two and a half years old. "Two and a half," Mr. Heifetz said. "What's he going to do till then? Just loaf around?"
