## **THE BRIDE SAID, "I DID?"**

Forget about her reputation. Kylie Chatterson is most definitely not that kind of girl. She's a conscientious CPA who has never even been with a man...that way. But when she wakes up in a Nevada hotel room after her friend's bachelorette party, the best man is in her bed...and he's wearing a wedding ring. And guess what: so is she!

For better or worse, Drew Gregson is now her husband. The hunky military psychologist doesn't remember the night any more than she does. Nevertheless, he seems in no hurry to end their impulsive betrothal. As she gets to know Drew and his adorable, squirmy nephews, Kylie has to remind herself this is all temporary—and pretend. Or could it be the best mistake she ever made?
