A Grand Unified Conspiracy Theory: The Illuminati, Ancient Aliens, and Pop Culture Isaac Weishaupt
'A Grand Unified Conspiracy Theory: The Illuminati, Ancient Aliens, and Pop Culture' is a culmination project of several years of research and taking notes on taboo and fringe subjects from various theorists, philosophies, and academic walks of life. I'm a website publisher for conspiracy theories and the exposure that I've had to these topics gives me a fresh perspective and clarity of these sometimes confusing and offensive topics. I focus a lot of the material on the philosophy of David Icke, so if you wanted an independent third party assessment on why he thinks reptilian shape shifters control our planet (and why he could be correct); this is the book for you! I explore links between all of the Illuminati conspiracy theories, the music, film, and entertainment industry's infiltration, and brainwashing symbolism found in all of these venues (e.g. the All Seeing Eye, pyramids, etc.). Ancient cultures, Nazis and occult worship still play a key role in today's control system, and I provide insight into these topics, including a never before released review of the controversial and banned documentary of Princess Diana's murder *Unlawful Killing*. This film has never been released and I was able to watch a copy of it and detail its findings in this book. More original theories are presented such as Rihanna's occult origins, red dragons and their symbolism, and the Illuminati eugenics program being deployed through a transhuman robotic agenda. I also explain how David Icke's theories of the Moon Matrix and Saturn Worship operate to manipulate us into a false reality. I wrap the book up with a conclusion of what actually works out of all this mess. It includes an assessment of David Icke's reptilian shape shifters explained through a legitimate cognitive style model theory in academia called 'Adaption-Innovation' theory. Here is a breakdown of the chapters and the topics presented: Chapter 1- About the Author Chapter 2- Influential Conspiracy Theorists David Icke and Icke-isms, Jesse Ventura, Giorgio Tsoukalos, Bill Cooper, Alex Jones, George Noory, Joe Rogan, et.al.
