Celebration Fern Michaels

Fern Michaels, *New York Times* bestselling author of *Finders Keepers*, dazzles readers once again with the unforgettable story of one woman's life--the betrayal that nearly destroys her, the love that helps her heal, and the struggle to find the truth about herself and the man she thought she knew. . .

An only child who lost both parents during her first year at college, wealthy heiress Kristine Kelly had made her husband her whole world. But she didn't see what everyone else did: that handsome, charismatic Logan Kelly was a manipulator and a user. Then one cold December, Kristine got a chilling wake-up call when Logan vanished, along with the eight-million-dollar trust fund she had naively given him the power to control.

Just when Kristine's life was at it's lowest point, banker Aaron Dunwoodie offered her passion, a strong shoulder to lean on, and a relationship to believe in. But a woman once fooled is twice wary, and very vulnerable. There were still too many questions Kristine needed to answer before she could commit her heart again: what really happened to Logan. . .what did she truly want for herself. . .and what would she do if Logan--a dangerous seductive, and yet irresistible man--walked back into her life?
