How to Use this Ebook

This material is not made to be kept after reading. This is a good companion in your life that is designed for your continuous change, improvement and growth. Each habit is organized to give you example scenarios and suggestions on how you can apply the habit in your daily life. It is best that you do not rush finishing reading each habit to get you to the next habit. You have to learn it, internalize it and live with it. Give yourself time to study and focus on each habit. Do not take on to the next if you are not yet ready. Remember, attaining true effectiveness is a continuous process.

Do not hesitate to go back to the previous habit if you have to. You need to understand each concept to expand your KSD. Use the "inside-out" approach. Have a mindset of a learner and not of a teacher. You can begin the process of achieving true effectiveness through sharing with others even after reading a habit within 48 hours. You might also be surprised that while reading through this material, your negative labels of other people might disappear.

Open your gate of change and growth to really understand the concepts of the Eight Habits of Highly Effective People. Be patient. It will not be an easy and quick fix. However, after reading this material, you will reap enormous benefits. It will surely pay-off.

Each habit will be divided into three parts: definition, example and applications. The habit will be defined first, specific scenarios will be given and the most importantly is there will be steps on how to apply each habit in your daily life or right after reading the corresponding habit.
