The Merlon Murders I (part one of a two part mystery):

When hot shot investigator and math genius Duncan Dewar decides to head a life insurance inquiry, he has no idea what he's soon to encounter. Hoping to learn more about his ancestry, Duncan is drawn to the village of Taye, Scotland, where his past and future are about to collide, altering the trajectory of his life forever. Was the laird of Castle Taye accidentally crushed by a merlon from his own battlement, or are more sinister forces at work? Is the alluring widow and beneficiary of eleven million pounds to blame, or innocent? Is a ghost seeking vengeance against members of Clan MacNab for the slaughter of her loved one hundreds of years ago? Will Duncan be the next victim of the merlon murders? Follow Duncan on a culinary tour of breathtaking Scotland as he navigates through relationships with the villagers of Taye in his quest for answers. The Merlon Murders I is part one of a two part mystery.
