Robert A. Heinlein

The Man Who Sold the Moon and Orphans of the Sky (BAEN) Robert A. Heinlein

All-new afterword by popular Jon and Lobo series creator, Mark L. Van Name. Two classic Robert A. Heinlein books in one volume: *The Man Who Sold the Moon* and *Orphans of the Sky*. Journeys into space, one taking humans to space by hook or by crook, the other the classic first-time tale of a generation vessel with passengers who do not realize they are in a spaceship.

Two classic Robert A. Heinlein books in one volume, with an all-new introduction by Mark L. Van Name, author of the Jon and Lobo military SF series.

The Man Who Sold the Moon: D. D. Harriman is a billionaire with a dream: the dream of space for all mankind. The method? *Anything that works*. Maybe, in fact, Harriman goes too far. But he will give us the stars.

Orphans of the Sky: Hugh had been taught that, according to the ancient sacred writings, the Ship was on a voyage to faraway Centaurus. But he also understood that this must be allegory for a voyage to spiritual perfection. After all, the real world was only metal corridors and nothing else, right? And then Hugh begins to suspect the truth.

Two all-time classics from seven-time Hugo winner and Dean of Science Fiction, Robert A. Heinlein.

About Robert A. Heinlein:

“Not only America’s premier writer of speculative fiction, but the greatest writer of such fiction in the world.” –Stephen King

“One of the grand masters of science fiction.” –*Wall Street Journal*
