AFTER THE FALL is the prequel to THE NARROW GATE.

Centuries after the Fall, the world is a different place than it used to be...

When she suddenly becomes a Stray, Kara is forced to flee the relative safety of GateWide in order to avoid becoming a slave to the cruel Sovereign. Hunted deep into the wilds by the Sovereign's Enforcers, Kara must find a way to survive, relying only on her own scarce knowledge of the decimated wilderness outside the settlement's walls.

Surrounded by mutated creatures in an unfamiliar environment, Kara soon realizes that many of the things that she thought she knew about the wilderness had been based on lies that had been taught to all the people of GateWide.

Why have the people of the settlement been misled and how will she find the truth with only one small clue to guide her?
