Why? she wonders. What would Carrion want with a girl from Minnesota? And why is Candy beginning to feel that the world of Abarat is familiar to her? Why can she speak words of magic she doesn't even remember learning?

There is a mystery here. And Carrion, along with his fiendish grandmother Mater Motley, suspects that whatever Candy is, she could spoil their plans to take control of the Abarat.

Now Candy's companions must race against time to save her from the clutches of Carrion, and she must solve the mystery of her past before the forces of Night and Day clash and Absolute Midnight descends upon the islands.

A final war is about to begin. And Candy is going to need to make some choices that will change her life forever ...
