Praise for **IMPOSSIBLE is STUPID**

**Impossible is Stupid**, what a title for a truly inspirational piece. Reading through the draft copy of the book, amidst my busy schedule was a time well invested. The book is filled with nuggets of wisdom to fight loneliness and live a fabulous life.

**Impossible is Stupid**, is a paradigm shift from conventional book writing. Osayi, I salute your courage in daring to write this book.

I loved it all.

My favorite chapter is 22 (*stop cussin' yourself*) This chapter really makes me cringe because I curse a lot when I'm angry and I never thought about how the words we use affect us more than the person we are using them on. It really makes me think twice about just shutting my mouth & not saying a word when I'm angry because if that's what it will take to make me better then amen to me!!

Funny, down to earth, practical and illuminating, the book will not only get you thinking but also acting. Although written primarily for women, any man reading it will obtain many useful hints on enhancing their relationship with the woman in their life.

This book is a must read for every woman! **Impossible is stupid** when you make the seemingly impossible issues in life possible!

**Impossible is Stupid** has been an added blessing in my life. I wish there was an android application and screensaver. What I like most is that each “beatitude” works without reading the paragraph that follows it, though you do want to read that. Thanks for your work.

**Impossible is Stupid** is honest, straight-forward, and easy to read for folks like me that don't read much. I could see myself gifting a book like this to a few people I know.
