Natalia Ginzburg

**Léxico familiar (Spanish Edition)** Natalia Ginzburg

**Un libro fascinante, autobiográfico, por las páginas del cual se pasea en bata la historia de la Italia antifascista. Un libro falsamente simple, donde las anécdotas cotidianas se mezclan sin pudor con reflexiones de mucho calado. Un libro donde el talento de Natalia Ginzburg llega a su expresión más libre.**

«Aunque esté basado en hechos reales, me gusta pensar que *Léxico familiar* va a leerse como una novela, pidiéndole a este libro todo lo que solemos pedir a la ficción.»

Así se expresaba Natalia Ginzburg hablando de este magnífico texto que cuenta su infancia y su juventud, y donde aparecen los nombres reales de parientes y amigos, entre ellos Cesare Pavese y Elio Vittorini.

*Léxico familiar* habla de los Levi, una familia judía y antifascista que vivió en Turín, en el norte de Italia, desde 1930 hasta 1950. Natalia era una de las hijas del profesor Levi y fue testigo privilegiado de los momentos íntimos de la familia, de ese parloteo entre padres y hermanos que se convierte en un idioma secreto. A través de este léxico tan peculiar vamos conociendo al padre y a la madre de Natalia, unas personas que inundan de vitalidad el libro; veremos también a los hermanos de la autora, a su primer esposo, a políticos de gran valía y a muchos de los intelectuales que animaban las tertulias en estas décadas tan importantes del siglo XX.

## La crítica dice...

«Una de las escritoras más influyentes del siglo XX. La sencillez de su estilo y la claridad de su prosa siguen seduciendo.»

Aloma Rodríguez, *Ahora*
