Season Of The Harvest (Harvest Trilogy Book 1) Michael R. Hicks

If you've enjoyed stories by James Rollins, Michael Crichton, Douglas Preston and Lincoln Child, get ready to strap yourself in for a roller coaster ride of terror as you learn that you truly are what you eat...

At a genetics lab where a revolutionary strain of wonder food crops is being developed, FBI Special Agent Jack Dawson's best friend and fellow agent, Sheldon Crane, is brutally murdered. The killer was looking for very special seeds that Jack's friend had taken from the lab, and tore his body apart trying to find them...

Jack is convinced that Naomi Perrault, the beautiful geneticist who leads a group of suspected eco-terrorists, is behind the murder. But when FBI agents who aren't quite who they claim to be show up on Jack's doorstep after a bomb devastates the FBI lab in Quantico, destroying the evidence from his friend's murder, Naomi becomes Jack's only hope of survival.

Framed for murder and confronted by the terrifying truth of what the genetically engineered seeds stolen by his friend are truly for, Jack joins Naomi in a desperate battle across half the globe to save humanity from extermination...
