Jen's life has hit a wall. She's going nowhere faster than you can say hopscotch. Having been through a million relationships, she's over dating and just

wants to spend the rest of her life with her face buried in a container of rocky road. That is, until her sister Liza tells her about a unique service offering something that might be right up her alley.

Some might think Rollo Valle lives a picture perfect life, but he doesn't have everything. If he doesn't find a mate and get married soon, he won't be eligible

to take over the pack and become alpha. The only problem is that every woman he meets is exactly the same. Aren't they?

Follow along with Rollo and Jen as they set out to find true and everlasting love. Wolf Seeking Bride is a standalone story with a HEA and absolutely ZERO

cliffhangers!
