Working Together (Scriptural Roots of Commerce) (Volume 4) Jim Petersen

We relate to clients, suppliers, colleagues, bosses, and employees. Businesses collapse when trust erodes. Clearly, commerce is nothing if not a complex web of relationships. As obvious as this might be, most people never give the relational element of commerce much thought. The Scriptures, meanwhile, help us recover lost principles for this critical area of life. These principles are rooted in the life and character of Jesus. If we imitate him, our lives will flourish. Working Together will help you improve your workplace and family relationships.
