Before Midnight: A Romantic Retelling of Cinderella (Blood Prince Series Book 1) Jennifer Blackstream

A twisted Cinderella tale of an enslaved maiden cursed to be a loup garou, and the fierce werewolf prince whose fate lies in her hands.

★★★★★

"Cinderella meets American Werewolf in Paris."

★★★★★

"You'll never guess how the fairy godmother is portrayed and how the shoe gets put into the story but I can guarantee that you will be shocked; especially the step-mother and step-sisters. I will tell you, it has more of the Grimm feel to it than a Disney feel."

An alpha wolf fighting a powerful curse . . .

The werewolf prince Etienne is turning into a human. A fierce and loyal pack, Etienne and his family have protected their kingdom with tooth and claw--literally--for hundreds of years. Unfortunately, the spell of a well-meaning witch is slowly stealing the beast from inside him. Only the bite of a cursed werewolf--one who was not born with the beast inside--can save him from losing everything. He has no time for anything that will not lead him to a cure for the curse. Not even the beautiful maiden whose gentle nature soothes his soul even as she tempts him into primal pursuits of an entirely different nature...

A maiden enslaved by her stepfamily, who dares to reach for more . . .

Loupe lives in terror. Terror of the bloodthirsty stepfamily who treats her like a slave, and terror of the beast trapped inside her. Bitten by a werewolf while dealing with the illegal gains of her stepfamily's poaching, Loupe's dreams of a strong husband who would take her away from her servant-like existence are over. A woman who becomes a mindless beast on the night of the full moon has no place in a marriage bed. Not even if that bed belongs to a prince with the manners of royalty and the hungry eyes of a wolf.

Will Loupe overcome her fear of the monster inside her in time to save Etienne from a mortal fate? Or will her bloodthirsty stepmother and stepsisters hunt them down and destroy them both?
