She wanted a peaceful escape to the Bahamas. What she got was love and danger at every turn. Renee Thomas can't trust herself to pick a good man. Putting her life back together after being in an abusive relationship, she finds a job. Her new job isn't exciting, but it nets one major positive: she reconnects with an old flame, but like a moth to a flame, her abuser also tries to reconnect with disastrous results, not only for her, but everyone she loves. Jay Morris can't afford any distractions. He's staking his entire career on an IPO that must go off without any glitches...but he can't stop thinking about Renee and the fear he saw in her eyes. He'd give up everything in order to protect her... he'd walk through fire for the chance to love her. During the most horrific time in her life, all Renee wanted to do was escape, but in the midst of all the turmoil and with help from a praying family and God's warriors, Renee finds her way back to love.
