Reviews: This has helped me see God, myself and my kids in a different light. Kimmel encourages us to give our kids the freedom to be different and to make mistakes, while at the same time giving a "love that is secure, a purpose that is significant, and a hope that is strong." This is good stuff! (a parent in Alabama) This is a wonderful guide to loving and guiding children as God lovingly wants to guide humanity. I have my clients read this when they feel overwhelmed to be the perfect parent, or believe that there is only one way to parent, or are feeling defeated in their parenting skills. There is "GRACE" for both parents and child. A must read! (a parent in Colorado) About the Book: This is a balanced book - full of grace and discipline. After reading the book through (and applying the principles therein) I have recommended it to friends and family. I read many parenting books (mom of 4 and foster mom) and I put this one in my top 3. Well worth the money to own a copy, to take the time to read it, and the strength to put it into action. (a mom in Worcester, Massachusetts)
