In our fast-paced lifestyles today, it is often a challenge to make time to read God's Word. Hidden In My Heart was designed to make the most of small fragments of time to reflect on verses of Scripture. You may keep this book on your nightstand, the kitchen counter, or in your car. Regardless of where you read it, it will always remind you to meditate on a verse each day. There is a daily insightful verse beginning with Genesis in January and ending with Revelation in December. Hidden In My Heart walks you through the Bible day by day with at least one inspirational verse from each book of the Bible. This collection of daily Scriptures and accompanying space for personal journaling will enrich your daily walk with God by providing structure for your own reflection and meditation on God's Word. May this book become as meaningful to you as writing it has been to me. And may you always be aware of God's truths and His constant love for you.
