Midnighter Vol. 1: Out Steve Orlando

The first chapter in the all-new adventures of MIDNIGHTER joins renowned writer Steve Orlando and acclaimed artists Aco, Stephen Mooney and Alec Morgan.

Between the supercomputer wired into his brain and the enhancements saturating his body, the living weapon known as Midnighter doesn't face a lot of real challenges to his uncanny combat skills. Lucky for him, he enjoys beating the tar out of low-level bad guys as much as the high-end ones—and since his recent breakup with his first love (and fellow superhuman) Apollo, he's had plenty of chances to engage in his unique brand of physical therapy.

Now, insanely dangerous weapons are beginning to pop up all over the globe, wreaking havoc on society and complicating Midnighter's professional and personal life. As the outbreaks pile up, tracking them back to the original thief becomes an overriding imperative .

Collects MIDNIGHTER #1-7.
