However, our sample questions are not designed to merely trick you--which most people find discouraging and confusing at best. Rather, our Series 66 sample questions are designed to help you learn the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the Series 66 exam. Be sure to keep a notebook filled with all that you learn from working the questions and reading the helpful explanations that follow. Pass the 66™ is your guide to a passing score on the Series 66 exam. This textbook is at the same time in-depth and easy to read. We don't skimp on the details found on the NASAA outline. Rather, we skimp on the filler found in many of the more tedious license exam manuals on the market.
