The Amateurs: The Story of Four Young Men and Their Quest for an Olympic Gold Medal

David Halberstam

The Amateurs: The Story of Four Young Men and Their Quest for an Olympic Gold Medal David Halberstam

Halberstam's suspenseful and inspirational bestselling story of the four amateur rowers who put everything on the line to represent the United States in the 1984 Olympics

In 1984, rowing was a sport continually relegated to the margins, far from the spotlights attracted by other Olympic events. That year, four men went head-to-head for the right to compete for gold as the United States' single sculler, an honor that would lead not to lucrative endorsement deals, but to the fleeting glory of the Olympic Games, and the satisfaction of ranking supreme among their competitive community of oarsmen. In pursuit of that goal, the rowers pushed through crippling pain, delaying personal relationships and careers, all for the rush of winning. Determined to understand these athletes of a seemingly bygone era, Pulitzer Prize-winning journalist and author David Halberstam chronicles their bravery and obsession, delivering a dramatic human story, buzzing with adrenaline, about the lengths to which athletes will go to prove their mettle and compete on the highest level.

This ebook features an extended biography of David Halberstam.
