21st Century Chinese Cyberwarfare William Hagestad II

21st Century Chinese Cyberwarfare draws from a combination of business, cultural, historical and linguistic sources, as well as the author's personal experience, to attempt to explain China to the uninitiated. The objective of the book is to present the salient information regarding the use of cyber warfare doctrine by the People's Republic of China to promote its own interests and enforce its political, military and economic will on other nation states. The threat of Chinese Cyberwarfare can no longer be ignored. It is a clear and present danger to the experienced and innocent alike and will be economically, societally and culturally changing and damaging for the nations that are targeted.
