Dialogues and Natural History of Religion

David Hume

Dialogues and Natural History of Religion David Hume

David Hume is one of the most provocative philosophers to have written in English. His *Dialogues* ask if a belief in God can be inferred from what is known of the universe, or whether such a belief is even consistent with such knowledge. *The Natural History of Religion* investigates the origins of belief, and follows its development from polytheism to dogmatic monotheism. Together, these works constitute the most formidable attack upon religious belief ever mounted by a philosopher.

This new edition includes Section XI of *The Enquiry Concerning Human Understanding* and a letter by Hume in which he discusses *Dialogues*.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
