**Irish Crystal: A Nuala Anne McGrail Novel (Nuala Anne McGrail Novels)** Andrew M. Greeley

*"There's evil people around, Dermot love. . . . I knew about them even before me dream. Really evil people. Won't we have to fight them!"*

This latest tale of Nuala Anne McGrail, the engagingly fey heroine of such irresistible books as *Irish Cream* and *Irish Lace*, begins with a foreboding dream of some terrible impending evil. Dermot Michael Coyne, Nuala's adoring husband and spear-carrier, knows better than to ignore his wife's second sight, but from whence does this nameless peril originate? From the Homeland Security goons determined to deport the Irish-born Nuala on the basis of nothing more than vague suspicions and accusations? From the spiteful neighbors campaigning against their family's beloved Irish wolfhounds? Or from the tangled dealings of the Currans, a prosperous clan of Irish-American aristocrats, with whom Nuala and Dermot have recently become acquainted?

The true danger becomes shockingly apparent when a catastrophic car-bombing rocks the Chicago riverfront. Uncovering the twisted minds behind the bombing is not easy; Dermot and Nuala soon find themselves enmeshed in a complicated tapestry of lies and secrets. Nuala's preternatural instincts also lead her to a forgotten manuscript revealing the treachery and deceit behind a tragic chapter in Irish history: the saga of bold Robert Emmet and the failed uprisings of 1798 and 1803.

Between the past and the present, our heroine and her devoted spouse have more than enough mysteries to contend with, but the two of them are bound to make the truth just as clear as . . . *Irish Crystal*.
