## **Madame Bovary** Gustave Flaubert

Una mujer en busca de un ideal inalcanzable. Flaubert logro en su retrato de Madame Bovary una de las mayores creaciones de toda la literatura, por que mostro un personaje universal, una mujer nunca satisfecha y cuyo errado ideal la lleva al adulterio y a su propia destruccion. A ella se la ha comparado con Don Quijote, a quien sus lecturas llevan a suenos que van mas alla de la realidad de todos los días y que a la larga son víctimas de esos ideales inalcanzables. Pero precisamente por ser Emma Bovary una mujer corriente, el personaje se vuelve más universal, ya que con el es mas facil la identificacion. Esa es la razon por la cual esta inmensa novela ha sido desde su misma publicacion considerada como una que pertenece por derecho propio a los mejores momentos del menester literario.

This masterwork, one of the greatest productions of all literature, describes a universal character, a woman never satisfied and whose ambitions lead her to adultery and her own destruction.
