With all of the cultural and ethnic information that could affect patient and family care, POCKET GUIDE TO CULTURAL HEALTH ASSESSMENT, 4th Edition is the perfect portable yet complete reference. This guide discusses the clinical implications of ethnic populations from over 170 countries with a wealth of information on each—from languages spoken to health care beliefs and practices to eye contact. Ideal for everyday use, this handbook is the most comprehensive and portable resource on the market for patient care.

- Alphabetically organized by country with all sections presented consistently to give you quick access to important cultural information.
- Presents comprehensive content on all cultural aspects that affect patient assessment.
- Includes brief descriptions of each country's topography and provides maps to illustrate potential environmental etiologies of an illness.
- Updated international childhood immunization schedules and the latest information from the World Health Organization provide the most up-to-date healthcare standards from around the world.
- Extensive bibliographies give you resources for further information.
- A streamlined and concise format with thumb tabs dividing each section makes this pocket guide the perfect quick reference tool.
- Thoroughly updated content includes new country names and their demographics, patient data, health care practices, and other cultural implications that affect care of today's culturally diverse patient population.
- New international contributors bring together a wealth of information on the specifics of care for patients from over 170 countries.
- Includes more historical and political information for each country to provide current background information.
- Increased emphasis on how a population appears in the worldview and how their religion affect decision-making gives you a fuller perspective on each country's culture.
- More information on naturalistic healing and practices helps you treat patients from a variety of backgrounds.

The inside or content is definitely fantastic as the outside or cover. Your reading sixth sense will directly assist you to pick up this book.

Laura Clark:

Is it you actually who having spare time after that spend it whole day simply by watching television programs or just lying on the bed? Do you need something totally new? This Mosby's Pocket Guide to Cultural Health Assessment, 4e (Nursing Pocket Guides) can be the response, oh how comes? A fresh book you know. You are and so out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?

Thomas Gonzalez:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's internal or real their passion. They just do what the trainer want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Mosby's Pocket Guide to Cultural Health Assessment, 4e (Nursing Pocket Guides) can make you feel more interested to read.
