A classic mystery at Christmas. Perfect for fans of *Mystery in White* by J Jefferson Farjeon.

It is no ordinary Christmas at Lexham Manor. And the mood is anything but festive. Six holiday guests find themselves the suspects in a murder inquiry when the old Scrooge, Nathaniel Herriard, who owns the substantial estate, is found stabbed in the back. Whilst the delicate matter of inheritance could be the key to this crime, the real conundrum is how any of the suspects could have entered the locked room to commit this atrocity. For Inspector Hemingway of Scotland Yard, the investigation is complicated by the fact that every guest is hiding something – throwing all of their testimonies into question and casting suspicion far and wide.
