Exodus Lost S C Compton

Aztec and Mayan chronicles told of voyagers who arrived from across the Atlantic Ocean centuries before Columbus. Remembered as founding fathers, they hailed from a remote land called Tlillan Tlapallan, "Black Land Red Land." Now, for the first time, Exodus Lost presents compelling evidence that this lost homeland was Kemet Deshret, "Black Land Red Land," the ancient Egyptian name for Egypt. From this follow a series of groundbreaking discoveries into the origins of Mexican civilization, the roots of Western civilization, the creation of the alphabet, the history of the pyramids, and even new archaeological evidence for several major Bible stories. Enter a world of exploration and discovery, mystery and revelation. Whether your passion is archaeology or religion, history or simply a great adventure, Exodus Lost delivers. Beautifully illustrated with 126 photos, maps, and engravings.
