Fables: Legends in Exile, Vol. 1

Bill Willingham

Fables: Legends in Exile, Vol. 1 Bill Willingham

When a savage creature known only as the Adversary conquered the fabled lands of legends and fairy tales, all of the infamous inhabitants of folklore were forced into exile. Disguised among the "mundys," their name for normal citizens of modern-day New York, these magical characters created their own secret society that they call Fabletown. From their exclusive luxury apartment buildings on Manhattan's Upper West Side, these creatures of legend must fight for their survival in the new world.

Fables is the winner of 14 Eisner Awards and is one of the most enduring Vertigo titles ever. Here, in this new, 10th anniversary edition, is a newly colored 8-page story from the *Fables* prose work *Peter & Max: A Fables Novel*, as well as a beautiful new cover from series artist Mark Buckingham.
