HCG Weight Loss Cure Guide Linda Prinster

A New and Improved Verision #4 is NOW available on Amazon with ISBN #978-0-9831124-2-6.

Enhancements include updated food charts, vegetarian information and much more. The HCG Weight Loss Cure Guide is a guide to Dr. Simeon's Pounds and Inches, which is the base hCG diet Protocol described in Kevin Trudeau's newest book The Weight Loss Cure "They" Don't Want you to Know About. Discovered and documented after decades of research by Dr. Simeons, the 'original' protocol promises a short term plan with long term results--a full copy of Simeons' Pounds and Inches is included in the appendix. This guide is the complete 'How To' in laymen's terms from start to happy ending. For most people, this can make the difference between reading about an extremely complicated and expensive diet protocol (as presented in Trudeau's book) and executing an inexpensive, simple protocol detailed by the physician who developed it (Dr. Simeons'). The guide includes non prescription ordering, mixing, storing, tips, menus, charts, and everything else you need to successfully lose the AVERAGE 20 - 30 pounds in about a month.
