Phrasal Verb Fun

Peter Gray

Phrasal Verb Fun Peter Gray

This is the second edition, revised and over 70% bigger than the first one.

Most people think that phrasal verbs, verbs with more than one word, are hard to learn. As students we are given lists and lists of them to memorise, and we usually find the whole thing boring, complicated, and really hard to remember.

This book is different. There are no lists and there is nothing to memorise. Instead, there are over 600 little stories, one for each verb. The fact is that phrasal verbs are not a logical system, designed by some maniac a few centuries ago. No. They are simply something that grew up naturally.

Most natives don't even know the expression phrasal verbs. We never learn them at school. We know the difference between chopping down a tree and then chopping it up. We also know that when a building burns down, it is the same as when it burns up. Neither do we ever confuse put up your cousin with put up with him.

If you use this book for about ten minutes every day, I money-back guarantee that in about ten days you will know more about phrasal verbs than 99% of all non-native teachers who teach English for a living.

I also promise you that you will have fun doing it.

Reviews for the first edition

Phrasal verbs are usually a nightmare for us. Often we try out the "uncommon common sense" just to come to the wrong meaning, fools rush in where angels fear to tread. So I am very grateful to the author as he shows a natural way to learn those damned little things. - jartiblisimo (Spain)

It's a brilliantly conceived book, not only the short stories really stick in your head and help your memory in recalling all those verbs, but also enables the reader to get all the subtle shades of a verb which a non-native speaker fails to appreciate most of the times. - haunted85 (Italy)

From reader reviews:

Christy Dennie:

Book is actually written, printed, or created for everything. You can know everything you want by a guide. Book has a different type. As we know that book is important point to bring us around the world. Alongside that you can your reading proficiency was fluently. A publication Phrasal Verb Fun will make you to end up being smarter. You can feel much more confidence if you can know about anything. But some of you think which open or reading the book make you bored. It is not make you fun. Why they may be thought like that? Have you in search of best book or acceptable book with you?

William Sanders:

What do you with regards to book? It is not important together with you? Or just adding material when you need something to explain what the ones you have problem? How about your free time? Or are you busy man? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. They should answer that question simply because just their can do this. It said that about publication. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this kind of Phrasal Verb Fun to read.

James Edgar:

Information is provisions for people to get better life, information currently can get by anyone in everywhere. The information can be a understanding or any news even restricted. What people must be consider when those information which is inside the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you receive the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Phrasal Verb Fun as the daily resource information.

David Fulton:

That guide can make you to feel relax. That book Phrasal Verb Fun was bright colored and of course has pictures on the website. As we know that book Phrasal Verb Fun has many kinds or type. Start from kids until young adults. For example Naruto or Private eye Conan you can read and believe that you are the character on there. Therefore , not at all of book are generally make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book to suit your needs and try to like reading that will.
