## **The Thirteenth Gift** Charlene Costanzo

While on assignment in Eastern Europe, Claire, a U.S. journalist, learns of a local legend. The deceptively simple fable about the thirteenth gift has a profound effect on Claire, which soon transforms her marriage, her work, and the way she sees the world. The Thirteenth Gift is both a cautionary tale and an inspirational fable as it shows a way through the perilous consequences of greed, arrogance, and abuse of power to an uplifted state of consciousness and community. The Thirteenth Gift invites readers to renew their own sense of wonderment, which can lead to freedom from fear and a greater experience of hope, beauty, and joy in daily life. Like the message of the award-winning book, *The Twelve Gifts of Birth*, this novella from Charlene Costanzo reminds readers to see the dignity that is inherent in themselves and others.
