Think of it as portable office hours! The Interactive Video Skillbuilder CD-ROM contains more than eight hours of video instruction. Problems worked during each video lesson are shown next to the viewing screen so that students can try working them before watching the solution. To help students evaluate their progress, each section contains a 10-question Web Quiz-the results of which can be emailed to the instructor-and each chapter contains a Chapter Test, with answers to each problem on each test. Also included on the CD-ROM is the MathCue Tutorial. This software presents and scores problems and tutors students by displaying annotated, step-by-step solutions.
